

Who are they?	SKH Macau Social Service Coordination Office Macau
Where are they?	
What do they do?	SKH Macau Social Service Coordination Office was formally incorporated in 1997. Their initial services included dental services, physical therapy seminars, and consulting, language schools for new immigrants and volunteer training. As the social services of Macau developed more and more rapidly, the SKH Macau Social Service Coordination Office started to respond to the changing needs of the community by offering different types of youth services. Today, it has different service units and mainly serves youth and their parents.
How big are they?	They have eight centers.
What did they receive?	Microsoft Office Professional 2003 Microsoft Windows Server 2003 Standard Edition R2 32-Bit Microsoft Windows XP Professional Upgrade Microsoft Core Device CAL Suite
The outcome?	SKH strives to organize youth activities and establish technology centers to enhance youth's interest in learning and self-enhancement. As the demand for youth service is large, SKH continues to set up additional centers, and install new computer hardware and software. The donation of MS Office and server software via TechDonation helped keep their IT expenses in check.
